Personnel

Temporary Staffing Solutions • Short and Long Term Placements • Permanent Recruitment

People are not just part of our business, they are **our** business.

Bluestone Personnel prides itself on the professional, friendly and highly approachable way we conduct our business and believe this is reflected in our success to date. We recognise that our reputation is based on our ability to source the highest quality candidates and continually provide our clients with the highest level of service.

Our open and honest communication methods and our genuine 'care factor' are what set us apart from the rest.

We understand that every Client is different, and that you seek a personnel consultancy that can understand your individual business requirements. At Bluestone Personnel, we are committed to the professional management of your recruitment and labour hire needs, and are dedicated to developing strong partnerships based on trust, flexibility and cooperation.

Experienced recruitment and industry professionals through our specialised divisions.

Executive & Office

Extensive commercial knowledge combined with highly developed interpersonal and recruitment skills, means our consultants are well placed to have a detailed understanding about both the technical and personal attributes required to be successful in filling your roles. From receptionists, administration, accounts and payroll, call centre, personal assistants, sales and support staff, right through to sales and marketing, project management and executive and senior management positions.

Hospitality

With experienced consultants from the industry, our extensive networks ensure we supply only the best candidates for permanent roles, and for the ongoing supply of temporary staff. Our extensive database includes experienced event and restaurant managers, wait and bar staff, cooks and chefs, kitchen hands, baristas, cleaners, housekeeping staff and so many more.

Industrial

Safety underpins all other procedures within Bluestone Personnel and we place the highest importance on Occupational Health and Safety. Our thorough screening and recruitment process ensures our candidates, including managers, supervisors, leading hands, process workers, drivers, machine operators, trades, stores, laundry hands, manufacturing, cleaning and warehousing staff, are already safety inducted on arrival at your site.
