## YOUR 360° EVENT EXPERIENCE

Are you looking for an inspirational venue with an edge to really wow your delegates? You've come to the right place.

At the heart of the University of New South Wales (UNSW) campus in the Eastern Suburbs of Sydney lies an iconic venue, beloved by the local community and concert goers since 1961.

Roundhouse has come full circle. From its humble beginnings as the venue of choice for the biggest and best music acts over the decades, it has undergone extensive refurbishments to deliver an unrivalled event experience suited to a range of events.

The light flooded, versatile space which encompasses the main round room, eight breakout spaces, two bars and a Beergarden is perfectly pitched to host events of 10 - 2,200 delegates.

Along with our building upgrade, we've updated our entire suite of audio-visual equipment to deliver you a world-class, concert-grade production to dazzle your delegates, stun your sponsors and excite your executive.

With four caterers on our expert panel, your choice of menus and price points is as varied as your imagination allows. From cocktails to canapes, fine dining to coffee breaks, we have all of the bases covered to exceed your expectations.

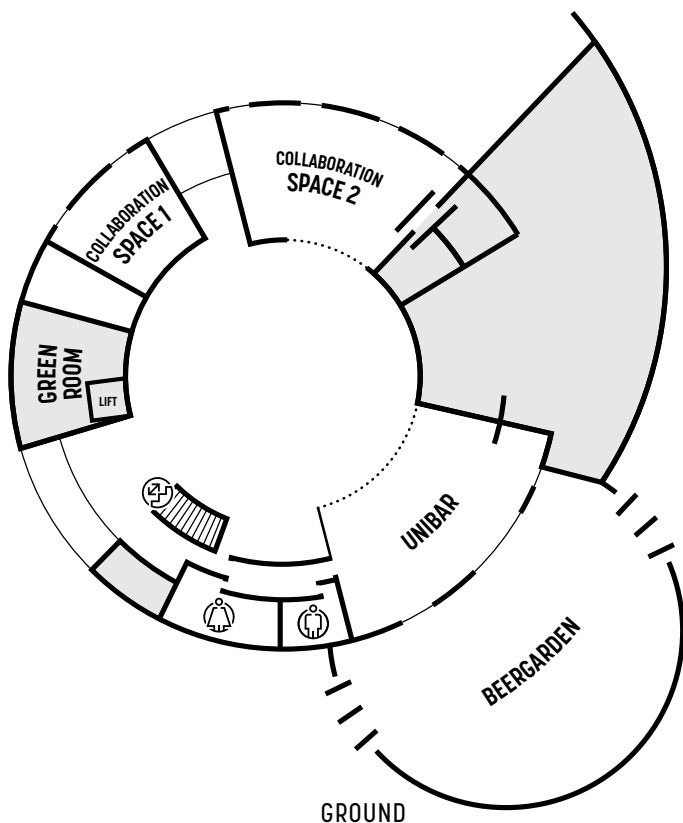

Our experienced team has extensive experience delivering high-quality events and are on-hand to help you deliver the event of your dreams. Need help organising all of the finer details like entertainment, flowers, photographers and theming? We're more than happy to help.
